Fearless Freddie Giraffe, as they called him then, was a skydiver, and a good one. He would soon become the 647th American to earn his gold wings, an award bestowed only on crazy-asses like him who jump out of a plane more than 1,000 times. He was a member of an elite club of sport parachutists, the Pelicans.

Freddie is the warhorse engine of the Skarloey Railway. In his youth, he was known as "Fearless Freddie" and was the daredevil of the hills, known for being fast, fun, and, of course, fearless. As a result of having worked on the narrow gauge line many years before, Freddie knows the route, as well as many hidden tracks, like the back of his buffers and he can use this to his advantage.
