Our project-based learning model brings math and science to life and provides a hands-on curriculum that utilizes the best of the Lowcountry's scientific and natural resources.

Home Page - Charleston Charter School for Math + Science

At the eighth grade level, there are certain math concepts that your students should attain by the end of the school year. A lot of the math concepts from eighth grade are similar to seventh grade. At the middle school level, it is usual for students to have a comprehensive review of all math skills.
