Index Card Of Allowable  
catch up on what Woods has been doing  
over the past few years. There are  
constant references to his and other's  
works but he uses only glosses of these  
to support his view Thomas Woods has  
made some sound and vitally interesting  
arguments against war and the state  
and in favor of liberty and its  
preservation.

### **Real Dissent: A Libertarian Sets Fire to the Index Card of ...**

"Real Dissent is great fun to read, but also filled with useful debating points that will come in handy as you make the case for the free society with friends and family. Over the years I have worked together closely with Tom, one of the libertarian movement's brightest and most prolific scholars, and I am delighted to commend his new book to you.

for a Libertarian who finds them self unsure how to rebut many common and less common statist quips, with an abundance of historical evidence to back it up. Tom puts together an overwhelming empirical and logical case against the unquestioning acceptance of government across a wide range of issues.
